Why Hire Us?

We rely on data to optimize your campaigns for best possible outcomes.

We value people more than we value the technology. People are our no. 1 asset.

We make complex seem easy. You just sit back and we'll handle everything!

About the Company

D.M.P. Security Agency is a professional security services provider dedicated to providing the highest quality of protective services to businesses and individuals throughout the TriState area. Our experienced and highly trained personnel come from former military and law enforcement backgrounds and are equipped to handle any security need. We are committed to providing comprehensive security services, including armed and unarmed uniformed officers, security vehicle patrols, security consultations, investigative services, escort services, and much more. Our officers are carefully screened and trained to ensure that our clients are provided with the most reliable and efficient security services available. We understand the importance of protecting our clients' assets and providing peace of mind, and our goal is to be the best security provider in the industry and to provide the best security services available.
